**ENTRY:** Membership cards are required for entry into the park. All members must be scanned in. This is crucial to allow for accurate contact tracing should there be a case of COVID-19. Please remember to bring your card at each visit, as you will not be admitted into the park without it. No exceptions.

**HEALTH CHECKS & SCREENING MEMBERS:** Staff will be alert to any signs of COVID-19 illness at designated entry points including fever, chills, cough, shortness of breath, difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion, runny nose, nausea, vomiting or diarrhea. Temperature checks of members are not required but may be requested by management at any time for any reason. Informational signage on COVID-19 symptoms will be posted at the pool entrances and throughout the pool complex. Anyone exhibiting symptoms will not be permitted into the pool, and will be asked to leave if symptoms become evident after park admittance.

**FACE MASKS & SOCIAL DISTANCING:** Face coverings are not currently required at Frog Falls, but may be worn at the discretion of the individual. Due to danger of suffocation, cloth face coverings should not be placed on children age 2 & under.

Face coverings WILL NOT be worn while in the water. Social Distancing is REQUIRED.

We recommend patrons maintain a minimum of 6 feet social distancing while in the water AND on pool deck and grass areas, unless the individual requires assistance swimming or navigating the park. This excludes swimmers sharing the same household or arriving in the same vehicle together.

**RESTROOMS** Practicing social distancing is required while utilizing the restroom facilities. Certain fixtures and stalls will be blocked to ensure 6ft. separation while using facilities. Restrooms will be disinfected regularly throughout the day. Foot coverings are required when in restroom and shower areas.

Hands should be washed frequently with soap and water. Hand sanitizer that is minimum 60% alcohol must be used if soap and water is not available. Do not touch your face (especially eyes, nose or mouth) with unwashed hands. Pool will have sanitizing stations available throughout the park.
